

**Amendments to the Specification:**

Please replace the paragraph beginning at page 3, line 29 with the following rewritten paragraph:

The embodiments described herein ~~describe~~ include packetization strategies for Single Layer Video and Layered Video. Packetization strategies for Single Layer Video include a bandwidth-efficient packetization strategy (FIGS. 1A-1B) and a robust packetization strategy (FIGS. ~~1A-1B~~ 2A-2B). Packetization strategies for Layered Video include a robust packetization strategy for the Base Layer, and a bandwidth-efficient packetization strategy for the Enhancement Layer (FIGS. 3A-3D).
